Dear All

Shaping the Game Festival 30th October

Firstly please remember to adjust your clocks on Saturday night as they go back an hour.

Registration will take place from 9:30am for the U7s and U8s.
The first games will start at 10:00am

Registration for the U9s and U10s will be from 12:30pm
First games will start at 1:00pm.

The address for Stockton RFC is:
Norton Sports Complex
Station Road
Norton
Stockton-on-Tees
TS20 1PE

Can you all please be aware that Station Road can get a bit congested with the residence parking on one side of the road. Stockton RFC is going to ask residence if they can park at the back of their properties to try and alleviate the problem.

On arrival at the club car park attendants will be there directing the traffic to the relevant parking areas. Please do not just park anywhere as this is a sports complex and other people will also be using the facilities.

After the children have finished playing, they will all be given something to eat. Coaches will be issued with a meal voucher for every child when they register. Spectators will be able to purchase tea, coffee, bacon sandwiches etc in the club house throughout the day.

Hope you all have a good day.

Regards

Debbie Maddison
Administration Manager, Durham County RFU
